#### About Legend International Holdings Inc

Legend International Holdings, Inc (OTCBB: LGDI) is a mining and agriculture resource development company. The Company is principally focused on developing its phosphate deposits in the Georgina Basin in Queensland, Australia. The Company's exploration licenses include approximately 5.2 million acres in Queensland and the Northern Territory, Australia. For further information please visit our website at [www.lgdi.net](http://www.lgdi.net)

#### About IFFCO

IFFCO is India's largest fertilizer enterprise, a cooperative with over 50 million farmers associated with it, primarily engaged in production and marketing of nitrogenous and phosphate fertilizers in India. IFFCO has five fertilizer plants in India with a domestic annual capacity of producing 4.3 million tonnes of phosphatic fertilizers and 4.2 million tonnes of nitrogenous fertilizers. In addition to setting up the fertilizer manufacturing units in India, IFFCO has made strategic investments in several joint ventures in India and overseas. More details on IFFCO are available on its website [www.iffco.nic.in](http://www.iffco.nic.in)

#### Forward-Looking Statements

Forward-looking statements in this press release are made pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that such forward-looking statements involve risks and uncertainties including, without limitation, the risks of exploration and development stage projects, risks associated with environmental and other regulatory matters, mining risks and competition and the volatility of mineral prices. Actual results and timetables could vary significantly. Additional information about these and other factors that could affect the Company's business is set forth in the

Company's fiscal 2008 Annual Report on Form 10-K and other filings with the Securities and Exchange Commission.
